

Foxit PDF The #1 Adobe Alternative

Foxit is faster, higher rated and 44% less expensive than Adobe Acrobat.

Why Choose Foxit Over Adobe?

Foxit PDF Editor delivers superior value, with enterprise-grade functionality for a fraction of the cost of Adobe Acrobat.

You're not an acrobat—you shouldn't have to juggle costs, features and add ons just to manage PDFs. Foxit delivers advanced PDF solutions with comparable functionality to Adobe Acrobat but with award-winning usability, security and the industry's first AI Assistant for PDF editing.

Switching from Adobe Acrobat Pro for Teams to Foxit PDF Editor+ saves businesses over 40% in annual subscription costs. Foxit scored higher than Acrobat for ease of setup and ease of use and was voted a better partner to do business with, according to G2 user reviews. With the highest satisfaction score of all PDF Editors, it's easy to see why over 500,000 customers have chosen Foxit for their PDF management and business productivity needs.

Ease of Use

Users confirm Foxit is easier to use than Adobe Acrobat

Foxit minimises learning curves for new users. Foxit PDF Editor's interface is based on Microsoft's ribbon-style toolbar, so it's already familiar to your teams. Additionally, Foxit is more efficient than Adobe Acrobat, requiring 7% fewer clicks on average to complete similar tasks. Integrations with popular business productivity tools such as Microsoft Teams and Google Workspace provide further advantages, allowing users to continue working with the apps they know and love. With award-winning usability, it's no wonder why Foxit scored higher than Adobe Acrobat for ease of use, according to [G2 user reviews](#).

License Management

Foxit makes it easy to set up and manage users

Provisioning new users is straightforward and efficient with Foxit Admin Console regardless of how big your team is. Admin Console provides a centralised portal to manage Foxit PDF Editor and eSign licenses. Review how many licenses your own, how many are assigned and the number of active users. You can add new users manually or by connecting to SSO and Active Directory. Assign and remove licenses from users individually or in batches with user groups.

Security and Compliance

Foxit is the #1 PDF Editor for data security

Foxit is committed to the safety of your sensitive business documents. Our products and services deliver enterprise-grade security, in compliance with industry best practices and regulations. Foxit holds the following distinctions and certifications:

TechRadar recently named Foxit the Best PDF Editor for Security in 2024, specifically citing its redaction tools as a standout feature for data-conscious businesses. Additionally, Foxit PDF Editor integrates with Microsoft® Active Directory Rights Management Services and Azure Active Directory Rights Management, helping you securely manage user access to your business documents. With Foxit, you get enhanced security and compliance in a full-featured, intelligent PDF solution.
